### Feedback analysis and action taken Report 2015-2016

Feedback forms were students were collected manually. Teachers from all the departments were evaluated by students. Evaluation was done on a 5-point scale. Feedback was taken at the end of the academic year. Average teacher feedback values ranges from 4.0 to 4.9. Average institutional feedback was calculated to be 4.4. . All teachers got feedback above the institutional average. Teachers who were rated above the average were appreciated by the Principal and teachers whose score was lesser than the average were advised to improve in the areas where they were lacking.

The college has obtained feedback from students, teachers, non-teaching staff, parents and alumni through questionnaire. Collection of feedback forms has been done from stakeholders and the analysis of feedback forms is also done. Based on feedback analysis following actions were taken to improve the teaching-learning process.
