6.5.1 Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

Internal quality Assurance Cell (IQAC) is the most significant cell of our college. It has immensely contributed towards development of Institute. Various initiatives taken by the cell during the past five years have brought laurels to our college directly and indirectly. IQAC takes a lead in organising various academic, co-curricular and extracurricular activities for the overall development of students and faculty members. The Cell strenuously strives to maintain high academic standards, and towards this end, evolves and implements appropriate innovations. The Cell meets regularly, deliberates upon relevant issues and takes decisions which, after approval, are vigorously implemented.

It is difficult to upload the relevant information on NAAC portal as space is provided about 5 Mb only. Therefore additional information uploaded on college website. Please see the following links for the additional information
