## Background

This College is established on 11/09/1987, run by Government of Maharashtra, Department of Higher and Technical Education, Mumbai (M.S.). It is the only Government College in this remote/tribal place at Gadchiroli running under-graduate and post graduate courses in science. It has spacious smart class rooms and well equipped laboratories make it one of the most sought and selected pure science learning college in the Gondwana University. It is spread in 3.6 hectares of land with all necessary facilities for higher studies with pleasant environment.

## Aim and Objective

As Government Science College is only Government College in Gadchiroli district, students are relying on this College for pursuing the higher education. Initiatives to nurture and facilitate the development of students of tribal area are the mission of College. The initiative's goal is to build thriving and sustainable infrastructure facilities to create a community for addressing the various basic and fundamental issues of tribal society. Excellence and equity initiative of the Government Science College aims to support learning, teaching, sports and ethical culture in tribal population. Government Science College wishes to elevate the learning, teaching and research activities of low-income and tribal students.
